Medicaid Field Office 1 Specialty Providers

[Return to Map](#)

Please Note: If you are enrolled in the Managed Medical Assistance (MMA) Program (i.e. Medicaid HMO or PSN), please contact your plan through their member services phone number or online provider directory for help in finding providers. If you are not enrolled in a Medicaid MMA plan, you can use this list to find Medicaid providers. It is possible that some of these providers are not currently seeing Medicaid patients. Also, some providers may be willing to see patients enrolled in Medically Needy with a Share of Cost. Be sure to ask if the provider is seeing Medicaid patients or accepts share of cost when you call to make an appointment.

Medicaid Field Office 2 Specialty Providers

[Return to Map](#)

Please Note: If you are enrolled in the Managed Medical Assistance (MMA) Program (i.e. Medicaid HMO or PSN), please contact your plan through their member services phone number or online provider directory for help in finding providers. If you are not enrolled in a Medicaid MMA plan, you can use this list to find Medicaid providers. It is possible that some of these providers are not currently seeing Medicaid patients. Also, some providers may be willing to see patients enrolled in Medically Needy with a Share of Cost. Be sure to ask if the provider is seeing Medicaid patients or accepts share of cost when you call to make an appointment.

Medicaid Field Office 5 Specialty Providers

[Return to Map](#)

Please Note: If you are enrolled in the Managed Medical Assistance (MMA) Program (i.e. Medicaid HMO or PSN), please contact your plan through their member services phone number or online provider directory for help in finding providers. If you are not enrolled in a Medicaid MMA plan, you can use this list to find Medicaid providers. It is possible that some of these providers are not currently seeing Medicaid patients. Also, some providers may be willing to see patients enrolled in Medically Needy with a Share of Cost. Be sure to ask if the provider is seeing Medicaid patients or accepts share of cost when you call to make an appointment.

[Return to Map](#)

Please Note: If you are enrolled in the Managed Medical Assistance (MMA) Program (i.e. Medicaid HMO or PSN), please contact your plan through their member services phone number or online provider directory for help in finding providers. If you are not enrolled in a Medicaid MMA plan, you can use this list to find Medicaid providers. It is possible that some of these providers are not currently seeing Medicaid patients. Also, some providers may be willing to see patients enrolled in Medically Needy with a Share of Cost. Be sure to ask if the provider is seeing Medicaid patients or accepts share of cost when you call to make an appointment.

[Return to Map](#)

Please Note: If you are enrolled in the Managed Medical Assistance (MMA) Program (i.e. Medicaid HMO or PSN), please contact your plan through their member services phone number or online provider directory for help in finding providers. If you are not enrolled in a Medicaid MMA plan, you can use this list to find Medicaid providers. It is possible that some of these providers are not currently seeing Medicaid patients. Also, some providers may be willing to see patients enrolled in Medically Needy with a Share of Cost. Be sure to ask if the provider is seeing Medicaid patients or accepts share of cost when you call to make an appointment.

[Return to Map](#)

Please Note: If you are enrolled in the Managed Medical Assistance (MMA) Program (i.e. Medicaid HMO or PSN), please contact your plan through their member services phone number or online provider directory for help in finding providers. If you are not enrolled in a Medicaid MMA plan, you can use this list to find Medicaid providers. It is possible that some of these providers are not currently seeing Medicaid patients. Also, some providers may be willing to see patients enrolled in Medically Needy with a Share of Cost. Be sure to ask if the provider is seeing Medicaid patients or accepts share of cost when you call to make an appointment.

Medicaid Field Office 11 Specialty Providers

Please Note: If you are enrolled in the Managed Medical Assistance (MMA) Program (i.e. Medicaid HMO or PSN), please contact your plan through their member services phone number or online provider directory for help in finding providers. If you are not enrolled in a Medicaid MMA plan, you can use this list to find Medicaid providers. It is possible that some of these providers are not currently seeing Medicaid patients. Also, some providers may be willing to see patients enrolled in Medically Needy with a Share of CoSt. Be sure to ask if the provider is seeing Medicaid patients or accepts share of cost when you call to make an appointment.
